

Prophetic Impartation, Healing & Deliverance

We welcome the Glory and invite the Holy Ghost into every session; therefore, Jesus can change the schedule.

Ministry of Impartation

While ministering and during “Open Heaven” moments, trust and believe that the prophets are operating under the unction of the Holy Spirit. They will be unmasked. Those sisters working on the ministry line to support the Apostles (catchers, ushers, etc.) may or may not be in masks. There are masks available if you need one to come for prayer. We believe the Holy Spirit will protect and keep us; we have done a lot to create an atmosphere of wellness and safety (*diffusers have been running since Thursday night*). Please believe - **GOD’S GOT YOU!**

The ministry of impartation, healing, and deliverance is biblical. The Lord by the leading of the Holy Ghost, chose the anointed women of God that are with us this weekend. I am expecting the unexpected because there are at least seven women of God who sit in the office or operate under the prophetic mantle. **Since there is ONLY ONE HOLY SPIRIT**, I declare we are about to encounter His Presence and His Fire (**Acts 2:1-4**). During times of teaching, and worship, we yield to the movement of the Holy Spirit, and you will see “Open Heaven” on the encounter schedule. This is to allow the Holy Ghost to have His way during times of prayer, corporate, and individual prophetic flow. This brief writing here for reference. You may ask one of the apostles, prophets, elders and pastors for better understanding and clarity.

God imparted from Moses to the 70 elders so they could support Moses and bear the responsibility of the ministry (**Numbers 11:16-17**), and they prophesied without ceasing (**Numbers 11:24-25**).

In an article by Rodney Francis, he wrote, “*Impartation has to do with the giving and receiving of spiritual gifts, blessings, healing, baptism in the Holy Spirit, etc., for the work of the ministry. It is the transference of these “gifts” from one man or woman of God to another, especially through the laying on of hands. There is an invisible flowing of spiritual ability from one to the other*”¹.

Paul desired to impart spiritual gifts so the saints would be strengthened for ministry or service to others (**Romans 1:11-12**). If you are in this prophetic atmosphere for such a time as this, ask the Holy Spirit to make it crystal clear what you are to do with all you receive (*it’s for the upbuilding and advancement of God’s kingdom and the support of your community at home, church, work, etc.*)

The laying on of hands is key in imparting or transferring a blessing and Joseph knew how important that was when Jacob crossed his hands (**Genesis 48:14-20**). The Apostles laid hands on the believers so that they may be filled with the Holy Ghost (**Acts 8:14-17**). Ananias laid hands on Saul for the restoration of his sight (**Acts 9:17-20**). I hope you gain more clarity and understanding in these few Scriptures on impartation, healing, and deliverance: **Acts 19:1-7; 2 Timothy 1:6; Acts 6:1-8; Luke 4:40-41, 6:17-19, 8:43-48, 10:1-9, 13:10-13; Matthew 10:1; and Mark 3:13-15**. There are more!

The PVDMI Leadership team and others have been fasting, praying, and entreating the LORD; and since **you know** what/who you’ve been praying, laboring, pressing the throne of grace for; **expect God to release it, grant it, impart it, in Jesus’ Name**. This is a consecrated time in the Presence of the LORD. God, in Christ, by the Holy Ghost, will not hurt you. Relinquish any fears, doubts, or unbelief that will strive against you to prevent you from receiving the fullness of what the Lord has for His Daughters.

During these moments, stay engaged and pray for your sisters as they receive from the LORD (*this is a serious time and not for idle chatter or conversations*). Listen and receive corporate prophecy, words of wisdom, knowledge and instruction (God may not speak a personal word to each of us but HE will speak to all of us). Let’s cover one another in prayer and openly worship, release your holy, prayer language, or pray the Scriptures **softly**, to keep the enemy out and support the free flow of the Spirit in the sanctuary. Be free to scribe notes, and petition God for yourself, your household, your family, and loved ones during this high time of worship, breakthrough, healing, and deliverance. **Whenever you are called**, you may record on your device at that time to receive your impartation. **DO NOT VIDEO OR POST ON ANY SOCIAL MEDIA PLATFORM. LET** the Holy Spirit have His Way! Our GOD has never duplicated a sunrise or repeated a sunset so expect fresh oil to pour, new wine to flow, miracles to manifest, the Glory to fill this sanctuary, and to leave this place **WHOLE**.
